

# JR. HIGH ACADEMY

## Sixth, Seventh & Eighth Grades

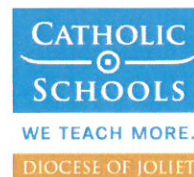

Our Junior High Academy consists of grades 6, 7, and 8. We have one to two classrooms per grade level with our classroom teacher experience ranging from three to twelve years.

Our Junior High is departmentalized and the children move through the school day as a homeroom. Our English/Language Arts is set up in a block schedule while math, science, social studies, and religion are separate classes. Religion is a focus throughout the curriculum with each teacher incorporating our faith into the subject studies. In religion class, our 6<sup>th</sup> graders study the Old Testament, our 7<sup>th</sup> graders study church history and our 8<sup>th</sup> graders prepare for the Sacrament of Confirmation.

All the Jr. High Academy students participate in service projects throughout the school and the community. Our Junior High students may also participate in Cross Country, Volleyball, Basketball and many clubs such as Math, Drama, Chess, and Engineering.
